EDUCATION

UNIVERSITY OF MICHIGAN   Ann Arbor, MI
School of Information
Information Analysis, May 2023
- GPA 3.7/4.0
- University Honors

EXPERIENCE
Summer 2020

Photomyne   Bene Beraq, Tel Aviv, Israel
Business Analyst Intern
- Completed virtual internship from Israel, zooming and communicating with Photomyne employees daily
- Identified ways to improve Photomyne marketing, leading to advertisements on SnapChat and TikTok, changes to their website headers, and different ways to promote their webinars
- Sorted over a thousand photos per day to ensure that they were properly edited and filtered, helping the software engineers of Photomyne develop their code

Summer 2019

Philadelphia Phillies   Philadelphia, PA
Associate Intern
- Collaborated on the *Phanatic About Reading* Program and helped coordinate where to send information
- Organized presentations and set up executive meetings for team management
- Worked with the analytics, scouting, video, social media, and equipment departments

2019-Present

TAMID Group   Ann Arbor, MI
Financial Analyst
- Monitor risk and performance for $15,000 investment portfolio, recommending specific stocks to invest in as well as holding/selling options
- Collaborate with a team of five others to discuss investment strategies, culminating in weekly reports in specific industries which are sent to all members of TAMID
- Created a pitch deck for Teladoc Health and XPO Logistics in 2020, competing in the TAMID Investment Competition

2019-Present

Michigan Sports Analytic Society   Ann Arbor, MI
Data Analyst
- Work with a large data set of hockey statistics for the Green Bay Gamblers in the United States Hockey League and discover correlations within the data
- Create data visualizations working with large data sets and present these findings to professional teams, leading to profound changes in their organizations

2019-Present

University of Michigan Men's Basketball Program   Ann Arbor, MI
Student Basketball Manager
- Work directly under Coach Howard, presenting scouting reports to the players and coaches
- Record statistics during games and practices, analyze data, and present findings to the coaches, resulting in game and practice adjustments
- Ensure all Michigan practices and games are filmed and fully set up with the proper equipment

2016-Present

Barcode Experiences   Philadelphia, PA
Co-Founder
- Founded Barcode Experiences, a 501(c)(3) organization, providing low-income families with exclusive access to sporting events
- Created the first ever 501(c)(3) non-profit organization in school history
- Coordinated over 15 families to attend Phillies, Flyers, Union, Eagles, and Sixers games

ADDITIONAL
- Cum Laude Society
- Certification, Bloomberg Marketing Concepts
- Recently learned Python, C++, CSS, HTML, and SQL
- Completed five-week Scout U online course on professional basketball scouting
